GOOD NEWS THIS SUMMER

South Vista Communities was very glad to be able to say "thank you" for several good deeds in our community this summer:

No more dead tree —

Thanks to Randy Bull, GE Power & Water plant manager and LBA Realty, this seriously dead tree at the office entrance has been removed. What an improvement!

Blooming for summer —

for the first time in some years, the area of the IHOP property facing Sycamore Avenue was planted with blooming plants — a pleasing addition to this entrance to our community from the 78.

Three cheers for continued care and maintenance — Kudos to Burlington Coat

Factory for continuing to maintain its landscaping and the parking lot in such good order. As an extra added benefit, the property's trees were pruned, including the coral trees which had been getting pretty shaggy.

We greatly appreciate these successful efforts to maintain and improve the visual quality of South Vista!

COASTAL CLEANUP— Sept. 17th

Saturday, September 17th is San Diego County Coastal Cleanup Day — 9 a.m. to noon.

Check <http://www.cleanupday.org/cleanupsites.htm> to register for the cleanup at the North County sites shown. Note that all volunteers must sign a waiver (can be printed from the website) and all volunteers under 18 must have a waiver signed by a parent.
